Dear Mr. Chui,

On behalf of the Little Life Warrior Society (LLWS), I would like to express our deepest gratitude to Hong Kong Tourism Association for sponsoring a coach for our visit to the Dessert Kitchen on 25 February 2017.

The Little Life Warrior Society is a childhood cancer mutual-support organisation aiming to promote and improve the services and benefits of children cancer patients. It was established by children cancer patients, survivors, parents and medical staff of the Lady Pao Children's Cancer Centre of Prince of Wales Hospital in Sha Tin in 2002. We provide children cancer patients with different kinds of activities such as the LLWS Choir, Visiting Group, tea parties and outings, with the goal of enhancing the benefits of the children patients. Currently, we are serving over 1,700 members, and our work has been widely recognised by the public.

As a charity organisation, it is vital to gain support from different parties in order for the sustainable growth and development of our Society. Your support to us is of utmost importance, not only to bring happiness to our children patients, but also help us improve our services.

Once again, I would like to express our thanks to you for supporting our Society. We look forward to your continuous support in the future!

Yours sincerely,

Ms. May Chang
